to reserve your spot on this excursion.

Then send payment via PayPal as a friend or family to
lowcarbcruiuserinfo@gmail.com
making sure no fees are charged to the Low Carb Cruise.

Maho Beach

- Swim, sunbathe, enjoy water sports & games.
- At Maho Beach, bask in the sun under the shadows of jet planes.
- Complimentary refreshments: Water, Soft Drinks, Beers, Guavaberry Rum Punch.

Get ready for four and a half hours of sun, sea and absolute fun! Our friendly guide will pick us up at the cruise port and take us to a beautiful St. Maarten Beach.

After two hours of sheer fun at the beach, we head to Maho Beach and arrive around midday just in time to see the Boeing 747 and Airbus A380 just a few meters over the beach as they approach for landing at the nearby Princess Juliana International Airport (SXM).

For two hours as a beach bum at the Maho Beach, we will automatically become a guest of the Sunset Beach Bar and Grill, where we can enjoy a cool cocktail or a tasty lunch (own expense) while we listen to the live feed as the control tower communicates with the arriving aircraft.

Just sit back, relax, feel the cool Caribbean Sea breeze rush off the swelling waves of the sea or stroll along the pure white sand. Be lost in the sound of the waves crashing into the rocks that rise off the coast.

Our guide will transfer us back to the cruise port when we've achieved official status as a St. Maarten beach bum!

Tour Activities:

- ✓ Beach Activities
- ✓ Watersports
- ✓ Restaurants & Bars
- ✓ Sightseeing

Recommendations:

This is a beach tour so wear your swimsuit and bring along a towel, sunscreen, hat, sunglasses, a camera and money for water sports activities.
