

LOW CARB CRUISE SCHOLARSHIP OPPORTUNITY

Do you know someone or ARE you someone with a great **LOW CARB KETO STORY** who truly deserves and needs a scholarship to help with the expense of the LOW CARB CRUISE? Have you or someone you know always wanted to go on the cruise but the cost was just too daunting and without SOME help you would never be able to sail with us?

Well, here's your chance. We will be sailing 5/15/2022 on the Harmony of the Seas out of Port Canaveral, Florida and our team will award **THREE (3) \$1000 scholarships** to worthy recipients.

To apply for this scholarship opportunity, email Debbie Hubbs at lowcarbcruseinfo@gmail.com with the subject line "**CRUISE SCHOLARSHIP.**" Include your full name, email address, telephone number, state of residency and your STORY as to why you feel you would be a deserving recipient.

We'll be accepting scholarship entries through **October 31, 2021**. The Low Carb Cruise Committee will read and review them thoroughly and choose three (3) winners who will be revealed in November.

GOOD LUCK EVERYONE!

Eligibility: this opportunity is available only to those not already booked and to those who have never sailed with us in the past. Ineligible members are speakers, former speakers, members of the cruise committee or other members of our team.

Deadline: Entries must be received by October 31, 2021.

Scholarship conditions: The \$1000 scholarship is redeemable only on the 5/15/2022 Low Carb Cruise and has no value if you don't sail. No cash will be exchanged. Scholarship will be applied directly towards your booking when made. In the event of a cancellation, either on the recipient's part or other forces out of our control, the scholarship will return to the cruise committee's scholarship fund.
